@North Whitehall Tuesday, 12/3 @5:30p
@Catasauqua Sunday, 12/8 @4p

MESSAGE FROM:

As this school year progresses I want to take a moment to thank all of our students and families for their commitment to Innovative Arts Academy. We have a great group of students in the building and I am blessed to be a part of this process.

The basketball intramural team will start their practices very soon. I am excited to see the students competing for Innovative Arts Academy. We will be starting an ESports club in the near future. Things are coming together for this club. In ESports the students will be able to compete in video games against other schools. This is a fairly new concept and can provide our students with different pathways after High School.

I encourage all parents and guardians to come out to our parent teacher conferences later this month. If you have questions please feel free to call or email.

-Mr. Pidgeon
High School Prinicipal

SENIOR NEWS:
