* Enrollment numbers may not match financials because these are real-time numbers. When billing numbers are sent in the first few days of the month, there could be a chance students are taken out of our powerschool system, which can then change an enrollment number if their exit date was prior to a date showing on this current enrollment data. This could happen because we did not get confirmation they had started at their new school.

* There are 7 students pending withdrawal who ARE included in the 1-13-25 495 count.

** 70 8th graders for 1-13-25 includes 2 NEW students.
